

SQUASH & RACKETBALL BYE-LAWS

1. Dress & Equipment

Only recognised Squash/Tennis clothing is allowed. Unacceptable clothing includes football/rugby shirts and athletic vests etc.

Non marking footwear must be worn. Any person found using a court with shoes that mark will be asked to vacate the court and, at the Club's discretion, may be asked to pay for cleaning the floor.

2. Booking of courts

Only Squash Courts 1,2,3,4, & 6 may be booked 14 days prior.

When booking 14 days prior, Squash Courts 2, 3 & 6 can be booked from 7am onwards, but Squash Courts 1 & 4 can only be booked from 7pm onwards.

Squash Court 5 can only be booked on the same day, except for squash coaching, which should be arranged in advance with the Squash Professionals.

3. Court usage

Allocation of courts for coaching and events will be determined from time to time by the Squash & Racketball Committee

Claiming booked courts

If a court has been booked but players have not arrived then waiting players may use the court however it must be handed back once/if the player who booked the court arrives.

Heaters, lights and fans

Lights on courts operate either via a motion sensor or by way of a switch outside of the court. Fans are controlled by switches outside of each court. The heating system is a two part system. A timer brings the two court complexes up to a minimum temperature at the start of each day and closes off the heating at the end of the day. This is automatic and cannot be overridden by players. If a player wishes the court brought up to the normal playing temperature (which most do) then pushing a separate button outside each court will start the heating on that court for 45 minutes.

4. Glass

The use of glass containers on all courts, changing rooms, toilets and in the showers is prohibited following past experience of serious injury from broken glass.

5. Tournaments and Matches

All tournaments, matches and other use of the Club courts shall be under the control of and approval of the Squash & Racketball Committee.

6. Mix In

Courts 1 to 6 are used each Friday starting at 6:30pm or 6:45pm (depending on the court) and finishing at around 8:30 pm. Priority is given to their use for the mix in at these times and members are required to relinquish court 5 as near to 6:30pm as is reasonably possible. The Squash & Racketball committee shall from time to time determine whether mix-ins at other times would benefit the members and if so determined shall arrange the same.
